Attachments: Professional Movers of Charleston - Amendment to Certificate Scope of Authority.pdf

Good Morning,

Attached is a request for an Amendment of Scope of Authority for our client, Professional Movers of Charleston.

They have a Class E Households Goods Certificate, issued for Charleston, Berkeley, and Dorchester County. They would like to expand to Statewide Authority.

Please let me know if you need anything else from our firm to complete the Amendment.

We are asking that the Scope of Authority be amended without a formal hearing with the Commission.

Thank you,

Clare

To Whom it May Concern,

Professional Movers of Charleston, LLC was granted a Class E (Household Goods) Certificate of Public Convenience and Necessity on November 13, 2019. The Class E Certificate issued was to transport household goods to points and places in Charleston, Berkeley, and Dorchester Counties. Professional Movers of Charleston applied to transport household goods to points and places Statewide, and it is their intention to Amend their Class E Household Goods Certificate to cover all counties in the State of South Carolina.

The Commission's restriction on the coverage of the Certificate issued was due to concern of the notice publication. The notice of publication was first published in the *Montrie News*, an affiliate of *The Post and Courier*. The Commission found the publication did not provide adequate, "general coverage in the affected territory" and limited Professional Movers of Charleston's certification to the counties noted above. Counsel for the Commission informed Professional Movers of Charleston and their counsel that the publication may be of issue, and therefore, a second publication of filing was submitted to *The State* newspaper, with a return date of December 11, 2019; no intervention or objections were received.

We ask the enclosed motion to expand services Statewide be granted by the Commission without holding a formal hearing.

Sincerely,

Rebecca R. Epstein
